

UCSD HEALTH WE CARE PHYSICIAN PARENTING GROUP

The theme is “Presence in Parenting.”

This is an open virtual space for parents of children of any age. This is a facilitated, peer-led space (not a lecture) to talk openly about the challenges and the joys of being both a physician and a parent.

Come connect, share, listen, and build community with others on the journey of parenting.

3 Offerings this Spring:

- April 13th from 12-1pm • April 14th from 12-1pm
- May 14th from 12-1pm
